About Falconedge

Falconedge provides turnkey hedge fund advisory services for asset and fund managers delivering expertise across fundraising, investor relations, DeFi and treasury strategy, and operational growth. Founded in 2025, Falconedge is positioned at the intersection of traditional finance and digital innovation. By integrating native Bitcoin solutions with institutional advisory experience, the Company helps asset managers scale efficiently, attract capital, and deliver sustainable performance while creating asymmetric exposure opportunities for shareholders. By blending consulting expertise with Bitcoin as a strategic reserve asset, Falconedge seeks to scale client operations while creating asymmetric exposure opportunities for its shareholders.
