FALCONEDGE PLC
(the 'Company')

Dual listing on Frankfurt Stock Exchange

Falconedge PLC (AQSE: EDGE | OTCQB: FEDGF), a digital asset operating company, is pleased to announce that its ordinary shares have been approved for trading on the Frankfurt Stock Exchange (FSE) under the ticker symbol "**V87**". Further details can be found on the Börse Frankfurt website <https://www.boerse-frankfurt.de/en>.

The Company webpage of the FSE is: [FALCONEDGE PLC LS-,000065 Equity | A41T8X | GB00BW5STR28 | Share Price](#).

The FSE is one of the world's largest international trading centres for securities. Operated by the Deutsche Börse Group, the FSE is one of Germany's principal stock exchanges, and is responsible for approximately 90 percent of all equity trading volume in Germany. The FSE facilitates advanced electronic trading, settlement and information systems and enables cross-border trading for international investors.

Roy Kashi, CEO, commented: "Admission to the Frankfurt market will broaden Falconedge's shareholder base and will enhance liquidity and visibility among new investors. It will also support our continued strategy of growing Bitcoin on the balance sheet, underpinned by our proven yield generation capabilities."

This announcement contains inside information for the purposes of the UK Market Abuse Regulation.

About Falconedge

Falconedge (AQSE: EDGE | OTCQB: FEDGF) provides turnkey hedge fund advisory services for asset and fund managers delivering expertise across fundraising, investor relations, DeFi and treasury strategy, and operational growth. Founded in 2025, Falconedge is positioned at the intersection of traditional finance and digital innovation. By integrating Bitcoin-native solutions with institutional advisory experience, the Company helps asset managers scale efficiently, attract capital, and deliver sustainable performance while creating asymmetric exposure opportunities for shareholders. By blending consulting expertise with Bitcoin as a strategic reserve asset, Falconedge seeks to scale client operations while creating asymmetric exposure opportunities for its shareholders. Please visit www.falconedge.co.uk, and follow the Company on LinkedIn and X.
